They added a total of 1890 new entries to the database. The overall total of entries in the database is now at 4337 entries.
  - Genifer Ross, Volunteer Coordinator with Enrichmond Foundation, reported that volunteer numbers are increasing. There have been at least 100 volunteers per week for the last three weeks. Volunteers are now divided between East End and Evergreen in order to have a physical presence at both cemeteries. A quarter of the volunteers go to Kelly so that she can record the newly cleared grave markers. Genifer alerted Delegate McQuinn to the possibility of rain for her upcoming event. She has left it up to Delegate McQuinn on whether or not they will cancel.
  - Kelly Pratt, Family Services Coordinator with Enrichmond Foundation, reported new volunteers added to the database team and the biography team. The database team has done 97 entries with just three people in the past two weeks. Three people will be added to the biography team. Her
